OUR PRICING

This is a golden ticket to your very own time machine! With every penny, you're not just covering the nitty-gritty of time and resources. No, no! You're also buying a front-row seat to our creative minds at work, where artistic visions bloom, and dedication runs deeper than the deepest oceans. We're in the business of crafting cinematic masterpieces that capture your magical 'I do' moments - transforming them into high-definition keepsakes. So, come aboard! Invest in a personalised love story that's even better than Hollywood's finest because this one is real, raw, and most importantly, yours!"

Our prices reflect not just the time and resources invested in each wedding but also the artistic vision and dedication to creating a memorable wedding video. It's important for clients to understand that they're investing in a high-quality, personalised keepsake of their special day.
